PHYSICAL DEMANDS

This position is physically demanding. Employees are required to be able to walk a half mile up a steep grade on an uneven surface in twenty minutes, multiple times per day under air conditions that may range from moderate to unhealthy and temperatures up to 100 degrees. Employees must also be able to carry a loaded daypack on the cave trail and move heavy inventory.

REQUIRED TRAINING OR CERTIFICATIONS

First Aid

CPR

AED

Wilderness First Aid

WORK ENVIRONMENT

Maintained trails, cross-country routes, and buildings in Sequoia and Kings Canyon National Parks and USACE Lake Kaweah, and various outdoor settings including favorable and inclement weather, varying air quality, and potential high temperatures. The work environment includes working and driving in early morning, daytime, evening, and nighttime conditions. Working in the parks exposes employees to unpredictable and potentially dangerous situations. Examples are rockfall, lightning, working at night, wildlife encounters (bees/wasps, black bears, etc.), or driving at night.

TOOLS/EQUIPMENT USED

Computerized cash register with POS system, hand truck, ten key calculator, NPS phone system, computer, and tablets with Microsoft and Google products. May also drive a company vehicle (if authorized). Employees may be required to drive personal vehicles for official business

GUIDELINES FOLLOWED

National Park Service regulations, SPC Employee Handbook, SPC Safety Program, and other handbooks and manuals as instructed.
